

**NOMINEES FOR THE 33rd ANNUAL
NEWS & DOCUMENTARY EMMY[®] AWARDS
ANNOUNCED BY
THE NATIONAL ACADEMY OF TELEVISION ARTS & SCIENCES**

**Winners to be Announced at a Gala Event
at Frederick P. Rose Hall, Home of Jazz at Lincoln Center**

Univision Anchors Jorge Ramos and Maria Elena Salinas to Receive Lifetime Achievement Award

New York, N.Y. – July 12, 2012 (revised 8.28.12)– Nominations for the 33rd Annual News and Documentary Emmy[®] Awards were announced today by the National Academy of Television Arts & Sciences (NATAS). The News & Documentary Emmy[®] Awards will be presented on Monday, October 1 at a ceremony at Frederick P. Rose Hall, Home of Jazz at Lincoln Center, located in the Time Warner Center in New York City. The event will be attended by more than 1,000 television and news media industry executives, news and documentary producers and journalists. Emmy[®] Awards will be presented in 42 categories, including Breaking News, Investigative Reporting, Outstanding Interview, and Best Documentary, among others.

"The National Academy of Television Arts & Sciences is delighted to honor the outstanding work being done by journalists and documentarians throughout the television industry," said Malachy Wienges, Chairman, NATAS. "In addition, we are pleased to be honoring Jorge Ramos and Maria Elena Salinas, the co-anchors of Univision's nightly newscast, with our prestigious Lifetime Achievement Award. We are happy to highlight their work which represents the very best in news reporting."

Jorge Ramos and Maria Elena Salinas are longtime co-anchors of Univision's evening newscast "Noticiero Univision" and pioneers of Spanish-language broadcasting in the U.S. Ramos has been called "the Walter Cronkite of Hispanic news," and the *New York Times* has called Salinas "the voice of Hispanic America." As co-anchors of "Noticiero Univision" they reach 96 percent of Hispanic Americans living in the United States averaging nearly two million viewers every night. Ramos and Salinas have produced distinguished coverage of major news events in the last quarter century, from the fall of the Berlin Wall to 9/11 to the Iraq War and Hurricane Katrina. In 2007 Ramos and Salinas made history by co-hosting the first ever Democratic and Republican presidential candidate forums in Spanish on the Univision Network.

The 33rd Annual News & Documentary Emmy[®] Awards honors programming distributed during the calendar year 2011.

NewsPro is the official print partner of the 33rd Annual News & Documentary Emmy[®] Awards.

The list of nominees for the 33rd Annual News and Documentary Emmy[®] Awards is also available on the National Television Academy's website: www.emmyonline.tv

About The National Academy of Television Arts & Sciences

The National Academy of Television Arts & Sciences (NATAS) is a professional service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy® Award for News & Documentary, Sports, Daytime Entertainment, Daytime Creative Arts & Entertainment, Public & Community Service, and Technology & Engineering. Regional Emmy® Awards are given in 19 regions across the United States. NATAS also presents the National Academy of Television Arts and Sciences Global Media Awards™ which recognizes excellence in the world-wide intersection of digital entertainment and technology. Emmy® Awards given out for primetime programming are presented by our sister organization, the Academy of Television Arts & Sciences (ATAS). Beyond awards, NATAS has extensive educational programs including Regional Student Television and its Student Award for Excellence for outstanding journalistic work by high school students, as well as scholarships, publications, and major activities for both industry professionals and the viewing public.
